

## IMMEDIATE ATTENTION

### THE GREAT TRAIN RACE: 10TH CLASSIC CARNIVAL POSTPONED DUE TO EMERGENCY INFRASTRUCTURE REPAIRS

7 September 2026

## IMPORTANT ANNOUNCEMENT

The Directors of The Great Train Race have made the extremely difficult decision to postpone **The Great Train Race: 10th Classic Carnival**, scheduled for Saturday, 26 September 2026 at the Heidelberg Railway Station, until further notice.

Emergency infrastructure repairs are currently taking place at the event site, affecting the condition and safe use of the grounds. After careful consideration, we cannot responsibly proceed while the safety and suitability of the venue cannot be guaranteed.

While we share everyone's disappointment, the wellbeing of our visitors, collectors, participants, vendors and staff must always come first.

All tickets will be fully refunded, with refunds being processed immediately. Vendors who have already paid to participate will also receive full refunds.

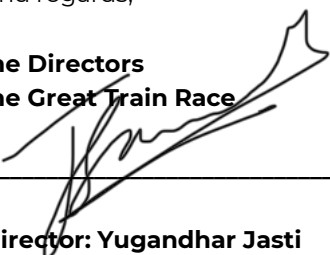

This is a postponement, not a cancellation. A new date will be considered once the infrastructure repairs have been completed and the site has been confirmed as safe and ready to host the event.

We sincerely appreciate your patience, understanding and continued support. Verified updates will be shared through The Great Train Race's official platforms as soon as further information becomes available.

Thank you for your patience, understanding and trust.

Kind regards,

**The Directors  
The Great Train Race**

### Emergency Infrastructure Repairs at the Event Site

Extensive excavation and affected ground conditions at the Heidelberg Railway Station event site, where emergency infrastructure repairs are currently underway. These conditions informed the difficult decision to postpone The Great Train Race: 10th Classic Carnival in the interest of public and participant safety.
